

National Public School HSR
An overview of the academic year 2024-25
From the Chairman's Desk

*“The purpose of education is to make good human beings with skill and expertise...
Enlightened human beings can be created by teachers.”- Dr. APJ Abdul Kalam*

Dear Parents,

Warm greetings to the NPS HSR fraternity!

As we near the close of another successful academic year, we take this moment to celebrate our achievements, share important updates, and express our heartfelt gratitude for your unwavering support. Your dedication to your child's education is instrumental in their growth and success. Together, we continue to foster a nurturing and inspiring environment where our students thrive.

Professional Skills Building

Our in-house TISB Training Academy (TTA), an initiative by our Vice Chairperson, Dr. Bindu Hari, is dedicated to the professional development of our Senior Leadership team and Teachers. Focused on enhancing teaching practices, classroom management, and workplace professionalism, TTA ensures our school team stays at the forefront of educational excellence. This year, the team has continued their invaluable service, offering impactful in-person and online courses that have greatly benefited teachers across all levels, from Early Years to Senior School.

Sports Challenge

‘Esprit de Corps’, another dynamic initiative by Dr. Bindu Hari, has thrived in its second successful year, fostering a vibrant spirit of sportsmanship and camaraderie. With enthusiastic participation from staff and students across the NPS Group of Institutions and NAFL, the event has brought teams together through a diverse range of sports, strengthening bonds and celebrating the joy of healthy competition.

Our official **social media** accounts, including an Instagram page and a YouTube channel, were launched to celebrate school achievements and provide real-time updates on events and activities.

As we bring this school year to a close, here are some important updates to share:

- Summer vacation:

Closing and reopening dates

Grade	Last Working Day
Grades 1 to 8	28.03.2025
New Grade 10	09.04.2025
New Grade 12	09.04.2025
KG 1 and KG 2	28.03.2025
Montessori	28.03.2025

Grade	Re-opening Date
Grades 1 to 8	04.06.2025
Grades 9 to 12	26.05.2025
KG 1	05.06.2025
KG 2	11.06.2025
Montessori (Freshers)	06.06.2025
Montessori (Juniors and Seniors)	12.06.2025

(These dates are subject to change based on Government notifications at that time.)

Textbooks & Notebooks for the Next Academic Year

In response to parents' requests, the school has arranged for the availability of textbooks and materials from various agencies on campus. These will be distributed to students to ensure a smooth start to the academic year without any delays. The prescribed cost and the schedule for book distribution will be communicated separately.

School Fees

As per school policy, we do not collect any donations or capitation fees. Being a private, self-financing institution, National Public School implements an annual fee increase of 7.5% to 10% to accommodate rising expenditures. This adjustment accounts for various factors, including staff salaries, government-mandated increases in property taxes, rising utility costs, infrastructure maintenance, and the upkeep of laboratories, computers, and AMCs.

The annual fees for the academic year 2025-26 should be remitted between 20th March 2025 and 1st April 2025 through the payment link available on the Acadamis Parent Portal or Parent App. It will be presumed that students who do not complete the fee payment by the due date will not be continuing for the next academic year.

Plans for the Academic Year 2025-26: Exciting Horizons Ahead!

As we step into a new academic year, we are thrilled to introduce exciting opportunities for our students, ensuring they are well-prepared for the ever-evolving job landscape. With a strong emphasis on critical thinking, research, and interdisciplinary project-based learning, we continue to shape curious minds and future leaders.

To provide an extra edge in higher education and career readiness, our Senior School students will be encouraged to explore MOOCs (Massive Open Online Courses) and obtain Tech Certifications in fields like data analysis (e.g., Google Analytics) and digital marketing. These valuable additions will enhance their college applications and open doors to global learning and career pathways.

With innovation at the core of our academic journey, we look forward to another year of growth, discovery, and excellence!

The Year 2024-25: A Year of Achievements & Milestones!

This academic year has been a celebration of talent, perseverance, and success! From academic brilliance to artistic showcases, from sports victories to community service initiatives, our students have consistently demonstrated resilience, passion, and dedication.

Whether it was excelling in inter-school competitions, representing the school in sporting events, creating masterpieces in art, or making a difference through social impact projects, our students have truly made us proud!

As we reflect on this remarkable journey, we take a moment to honour and celebrate their accomplishments—because every achievement, big or small, is a step toward a brighter future!

Scholastic Achievements: Breaking Records, Raising the Bar!

Our Grade 12 students blazed a trail of excellence with their outstanding performance in the AISSCE exams, securing an impressive school average of 90.4%. Several students achieved perfect scores in Business Studies, Chemistry, Economics, English, Entrepreneurship, and Psychology, a testament to their hard work and determination.

Following in their footsteps, our Grade 10 students delivered stellar results, with an aggregate score of 90% and centum scores in French, Science, Mathematics, Sanskrit, and Social Science. Their dedication, combined with the unwavering support of our educators, has resulted in a year of academic triumphs!

Adding to this success, our students have secured placements in esteemed colleges and universities, setting forth on their next big adventure in higher education. These prestigious admissions reflect their relentless pursuit of excellence, and the strong academic foundation built at NPS HSR.

We could not be prouder of their achievements and cannot wait to see them soar to even greater heights!

Here's to more milestones, more celebrations, and an even brighter future in the year ahead!

STUDENT COLLEGE PLACEMENTS 2023-24

Medical and IIT	Universities In Bangalore	Universities In India	Universities Abroad
Raghav Pande IIT KGP	Azim Premji University	Ashoka University	Indiana University Bloomington

SCHOOL INITIATIVES: A Year of Innovation & Fun!

At NPS HSR, every initiative is a step toward learning with joy, purpose, and impact! Here's a glimpse of some exciting programs that made this year truly special:

[Climate Clock](#) – A ticking reminder that our planet needs us! Inspired by the global Climate Clock, students from Grades 1-12 took on eco-friendly challenges, spreading awareness and making sustainability a way of life.

[Jack and the Beans Talk](#) – A magical musical masterpiece scripted and composed by our very own Grade 11 virtuoso, Megha Bhat! This fresh take on Jack's adventures wove in a powerful message on environmental conservation, leaving the audience enthralled and inspired.

Financial Literacy for Future Whizzes! – Grade 12 commerce students took charge, leading engaging sessions that turned budgeting, saving, and investing into fun and essential life skills!

Mind Over Matter – The Podcast Powerhouse! – Our Grade 12 Humanities students became podcast hosts, launching monthly episodes packed with thought-provoking discussions on academics, life, and everything in between!

Competency-Based Learning (CBL) – Middle schoolers ditched rote learning and dived into real-life problem-solving! Whether it was scientific experiments or creative teamwork, every lesson became an adventure in thinking outside the box.

Visual Learning – History and philosophy came alive through immersive experiences, making Middle School classrooms feel like time machines and cultural hubs all at once! We do not need a textbook when we can see and feel the past!

Toy-Based Pedagogy – Learning just got playfully brilliant! Grade 6 students explored Science, Hindi, English, Math, and History through toys and games, proving that education is most powerful when it's fun!

[Career Conversations](#) – The best way to dream big is to chat with the pros! Our flagship career initiative connected students from Grades 9-12 with experts from diverse fields, offering insider insights, real-world advice, and a whole lot of inspiration!

At NPS HSR, every initiative is designed to ignite curiosity, encourage creativity, and prepare our students for a future filled with endless possibilities!

STUDENT ACHIEVEMENTS and Inter-School Achievements

- GAUTAM KUMAR and AATHREYA VENKATACHALAM (Grade 12) secured first place in the Dopa Rush NEET-UG quiz organised by Bangalore Medical College, outcompeting over 100 participants and emerging on top.
- ADITYA KATHAIT (Grade 11) and DASMAT AJMANI (Grade 10) advanced to the finals of the prestigious Union Bank U Genius Quiz, earning a well-deserved finalist trophy.
- NIHARIKA R (Grade 10) shone brilliantly at the 5th Karnataka Yogasana Sports Championship, earning an astounding four gold medals.
- UDBHAV VASUDEVAN (Grade 9) secured the coveted second prize in the regional round of the World Robot Olympiad, held at DPS North.
- JAYDEEP JAYRAM (Grade 9) achieved an impressive eleventh position in the IBA Robotised World Senior Category, held at Billabong High International School, Vadodara.
- KETAM JHA (Grade 9) has brought immense pride to the school by securing first rank in the prestigious Techkriti Open School Championship (TOSC) organised by IIT Kanpur.
- MRINANK SINGH (Grade 8) earned a spot among the top 700 in the National Standard Examination in Junior Science, organised by the Indian Association of Physics Teachers in association with the Homi Bhabha Centre for Science Education.
- SANJANA GUPTA (Grade 8), MISHIKA THARWANI (Grade 7), and RACHANA NAGENDRA (Grade 8) secured third position in the State Basketball Championship, organised by the Karnataka Basketball Association.
- SAHAANA RADHAKRISHNAN (Grade 7) made it to the semi-finals of the Times NIE Spotlight Music Competition in the Indian Classical Vocal category.
- SHOURYA SAI REDDY (Grade 7) secured third position in the State Level Karate Championship, conducted by UMC Karate Club.
- NIRANJAN SATISHCHANDRA RAO (Grade 7) secured a silver medal in the prestigious American Math Olympiad.
- VIVVAAN BAJPAYEE (Grade 7) holds a stellar record for publishing his book The Polar Escapade with Bookosmia.
- VIBHA KUNCHIPUDI (Grade 11) presented her paper titled Enhancing LLM Conversational Activity Using Pragmatic Measures at the IEEE-sponsored International Conference on ICT Convergence 2024 in Jeju, Korea.
- PRANSHI GOEL (Grade 2) earned an individual silver medal by winning all her matches in the Karnataka State Schools Team Chess Championship.

EVENTS AT NPS HSR :- A Year of Magic, Memories & Milestones!

At NPS HSR, every event is a celebration of creativity, learning, and togetherness! Here's a look at the highlights that made this year unforgettable:

A peep into Montessori and Kindergarten years of learning, creating and rejoicing.

VIVRITI – Our Grand School Fest!

A spectacular showcase of student brilliance! From mind-blowing projects to captivating exhibits and live demonstrations, this annual fest was a testament to our students' exceptional talent and passion.

ODYSSEY 2024 – Bigger, Bolder & More Brilliant!

This year, our inter-school fest welcomed Grades 6-12 into the fold, filling the campus with extraordinary performances, thrilling competitions, and a whole lot of creativity!

FIRST EDITION – Where Stories Came to Life!

After a month of imaginative writing, our Grade 4 authors took centre stage in a magical musical celebration of novel writing, weaving fantasy, music, and storytelling into a mesmerising spectacle.

YOUNG ENTREPRENEURSHIP PROGRAM – Market Day Magic!

Grade 6 students put their business hats on and turned into eco-conscious entrepreneurs! From sustainable products to creative marketing, they proved that businesses can be both profitable and planet friendly.

PARENT ENGAGEMENT PROGRAM – The Ultimate Role Reversal!

Parents became students for a day as our Grade 7 mentors taught them everything from Zumba and music to mad ads, crafts, and theatre! A day full of laughter, bonding, and creativity.

ELYSIUM – A Happy Earth Celebration!

Our Primary Years fest brought together students from six schools for an electrifying day of dance, music, talent shows, fashion, quizzes, and puppetry! A joyful tribute to our planet and the talents that make it shine!

HASTAKALA – Art with A Purpose!

This year's annual art exhibition was a masterclass in sustainability, where students turned everyday materials into breathtaking works of art! Creativity met conservation, and the results were stunning!

MODEL UNITED NATIONS – Future Diplomats in Action!

Students from Grades 9-12 stepped into the world of diplomacy, debates, and decision-making at our inter-school MUN conference, proving that the leaders of tomorrow are already making waves today!

As we wrap up this fantastic year, we send our heartfelt thanks to each one of you for being part of this incredible journey! Enjoy a summer filled with sunshine, laughter, and well-deserved relaxation!

Warm regards,

Dr. K. P. Gopalkrishna
Chairman, NPS Group of Institutions, NAFL and TISB
